HEWCO BRANDING IRONS

We have been manufacturing and supplying Branding Irons for over a century. Hewco Custom hand held electric, flame heated, drill press mounted or propane powered Branding Irons with solid brass heads designed to permanently mark into any variety of wood, leather, plastic, rubber, foam and other items. Stainless steel and aluminum branding heads are also available for marking food items such as buns, cakes and steaks. We have powerful units which will operate continuously in production environments as well as units better suited for businesses, individuals and hobbyists. Our branding irons have been purchased for use in Industry, Manufacturing, Railroads, Tourism and other Organizations such as Breweries and Wineries, Restaurants and Bakeries, Golf Courses and various Woodcraft and Woodwork shops all over BC, Canada and the United States of America.

HEWCO HAND-HELD ELECTRIC. We stock a variety of 120 volts AC hand held electrical branding irons from 75 to 1000 watts in power for branding images up to 24 square inches. We will match your requested branding head size to the correct power unit to compliment your intended use.

HEWCO FLAME HEATED, DRILL PRESS and PROPANE POWERED Branding Irons are also available. We can supply when requested, Aluminum and Stainless Steel head options for any unit for branding food items. We can **CUSTOM** design branding heads and plates to fit your specific branding equipment no matter the type of custom equipment you have. We can provide temperature controllers for electric units and in many cases, supply replacement branding heads for other types of branding units purchased elsewhere.

Our Hewco Branding Irons are deeply and expertly engraved and manufactured in Port Coquitlam, BC. Manufacturing time after approval of proofing is usually 5 to 7 business days. We can ship your finished Branding Irons to you anywhere in Canada or The USA or you are welcome to pick it up from our facility in person. For additional information, view our website at brandingirons.ca or contact our Industrial Sales Representative, Jeffery Mahe directly at 604-727-0707, in the office at 604-294-6288 or by email to jmahe@geohe Witt.com
